

# The Newsletter of the EAGA

## No. 2

A brief update, firstly many thanks all those who have paid their plot fees and a reminder to those that have overlooked their payment it is now overdue. For details of fees and how to pay see: [Tenants-Fees](#)

Peter our Plot office who in the past would have been chasing you for payment has now retired after 7 years of dedicated service. He was presented with a clock and a bottle of bubbly.

Please consider supplying your photos for use on our website, as photos bring these articles to life “a photo is worth a thousand words”, or please let me know so that I can take a photo. Also please supply your ideas, for example on a social event or on sharing specialist equipment, articles or links on gardening, to be placed on our website <https://edenaga.uk/>. Please let me know by emailing [secretary@edenaga.uk](mailto:secretary@edenaga.uk). Note our website is being developed as a one stop shop for all your information.

Finally you will have seen when you visit the allotments, that our new maintenance team have been busy placing stakes in the ground. This is to mark out the plots that are to be cleared by the council. These will then be covered with membrane to kill the weeds, which allows us to return the plots to a useable state.

Note that our new composting toilet is due for delivery on 19th May and that installation should be completed by the end of May.
