Some administrative notes:

We are updating some of the documentation supplied by the council to remove typos and improve readability and so I am afraid that I will be contacting all those that have signed up last year and earlier this year to sign an amended tenancy agreement.

We are considering organizing a social trip to a local venue! Thus **RSVP** if you would be interested in a trip to the Godstone vineyard or to the Westerham Brewery for a tour and tasting : secretary@edenaga.uk or suggest your own idea.

Note that our new composting toilet is currently being installed and should be operational by the end of May, sorry for the inconvenience.

Regarding the site gate padlock I have added some white tape to the gate padlock chain, such that when you reassemble it the numbers they will be the right way up if the tape is on the right (right is right).

Regarding the shop we are considering stocking the following items, in red, if there is sufficient interest. Thus **RSVP Shop@Edenaga.uk** to indicate how much you would want, so that we can order accordingly. Note prices are indicative as a small delivery charge may be added!
