The EAGA Newsletter No. 6

**Our EAGA annual barbeque is to be held on 30th August **

Please let us know you intend to attend as this will enable us to ensure that there is sufficient seating, and by the 28th.

For those helping on the day please arrive around 9:30 to 10AM.

If you have a gazebo, please let us know as the forecast now shows rain is expected from Wednesday.

Please bring your own Food, drinks, plates, glasses and cutlery.

Please note the Barbecue will be lit at 12:30 and so will be ready for cooking at 1PM

Note the EAGA Wine tasting at Godstone 12th September has been cancelled and instead we are supporting **The BRIDGES - Harvest supper.**

NOTE I have asked Richard Dyson who is chair of the trustees of the Bridges Centre what it is they are looking for so please read on as it was not clear from his poster what was expected:

"As far as what produce people might bring/donate, I don't think it matters - whatever they have that is ready and **spare/surplus; root vegetables, apples, maize, beans** ... If people are interested in joining us, that would be wonderful. My intention is to make up a hamper or 2 which can be raffled**, and receiving produce ahead of the evening would be key to allow cooks to create a variety of dishes**. **If people have other commitments but still would like to donate, all produce will be very gratefully received** - we can then think about what dishes can be conjured as well as put some items in the hampers".

Thus, please donate any produce ahead to 12th as we have donated produce before, you are not expected to attend but obvious they would like to see as many of us as possible and if you are going you need to book by emailing Mary on hello@bridgescentre.org or by phoning 01732 868186

Volunteers Required:

We currently have a number of volunteers who look after our new composing toilet. More hands will make light work so if you are willing to assist.

****If you are willing to give a little time please reply to this email***
